*If you would like to attach a photo, please provide a high-resolution photo of yourself (headshots preferred). Please note the following tips:*

- *If taking a photo for this purpose, avoid zooming in too closely or standing too far back.*
- *Do not crop or manipulate the original photo as it may lose the original image quality.*
- *If you wish to use a group photo that you’re a part of, do not crop the photo yourself as it will lose the original image quality. Please add a note letting us know where you are in the photo.*

**Thank you,**
